### **UNCITRAL model arbitration clause (2010)**

“Any dispute, controversy or claim arising out of or relating to this contract, or the breach, termination or invalidity thereof, shall be settled by arbitration in accordance with the UNCITRAL Arbitration Rules.”

*Note – Parties may wish to consider adding:*

- (a) The appointing authority shall be ... (name of institution or person);
- (b) The number of arbitrators shall be ... (one or three);
- (c) The place of arbitration shall be ... (town and country);
- (d) The language to be used in the arbitral proceedings shall be ...

### **Possible waiver statement**

*Note — If the parties wish to exclude recourse against the arbitral award that may be available under the applicable law, they may consider adding a provision to that effect as suggested below, considering, however, that the effectiveness and conditions of such an exclusion depend on the applicable law.*

Waiver: The parties hereby waive their right to any form of recourse against an award to any court or other competent authority, insofar as such waiver can validly be made under the applicable law.
